ABOUT US

# Bihar's trusted computer academy

Career Optics Computer Academy is run by Career Optics Education Service Private Limited, a company incorporated under the Companies Act, 2013. We teach job-ready computer skills with practical, hands-on training — and every certificate we issue can be verified online.

### Our Mission

To take quality, affordable computer education to every town and village of Bihar and beyond, so that every student — from a school-goer to a working professional — gains a skill that earns.

### Our Vision

A network of authorised study centres that run on one system, teach one syllabus and issue one trusted certificate — recognised by employers because it can be checked in seconds.

## Why partners choose Career Optics

**24**
Job-oriented courses with complete syllabus

**0%**
Royalty on course fees — the centre keeps it

**100%**
Certificates verifiable online by QR

**1**
ERP for admissions, fees, exams & certificates

FRANCHISE BENEFITS

# Everything a centre needs, from day one

Not just a certificate to put on the wall — a working system. Here is what every authorised study centre receives.

1. **Franchise Partner Licence**
   Your certificate of authorisation with centre name, director and centre code.
2. **Centre Code & Branch Login**
   Your own login to the Career Optics ERP, with your centre's data only.
3. **Free Website for your centre**
   careeropticscomputer.in/c/your-centre — your own domain can be connected too.
4. **Online Admission**
   Admission form with photo and documents; enrolment and application numbers generated automatically.
5. **Fee Management & Receipts**
   Invoices, instalments, payments and printed receipts for every student.
6. **Exam & Result Management**
   Exam schedules, marks entry, results and grades — published to the student and the website.
7. **Admit Cards**
   Printed on the academy's letterhead with the paper-wise schedule and a QR code.
8. **Marksheet & Certificate**
   Issued on the academy's official designs with the student's photo and a verification QR.
9. **Typing Certificate**
   English and Hindi words-per-minute certificate for the typing course.
10. **ID Cards — Students, Director & Staff**
    Front-and-back identity cards, printed three to a page.
11. **Online Certificate Verification**
    Anyone can verify a certificate, result or admit card on the website in seconds.
12. **Student Portal**
    Students log in to see fees, results, and download their own documents.
13. **Wallet Facility**
    Prepaid wallet for certificate requests — no waiting for approvals or payment.
14. **Complete Syllabus & Study Material**
    Module-wise syllabus for all 24 courses, with exams and certificates.
15. **Verification Letter**
    Education verification letter for employers and government offices, on the letterhead.
16. **Batches & Attendance**
    Batch timetable and daily attendance for every student.
17. **Zero Royalty**
    The course fee you collect is yours. The academy charges only for the documents it issues.
18. **Training & Support**
    ERP training for the director and staff, and head-office support on call and WhatsApp.

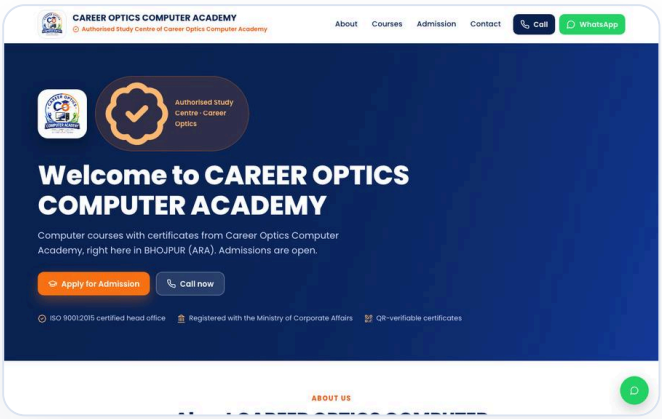

TECHNOLOGY

# One website, one ERP — already built

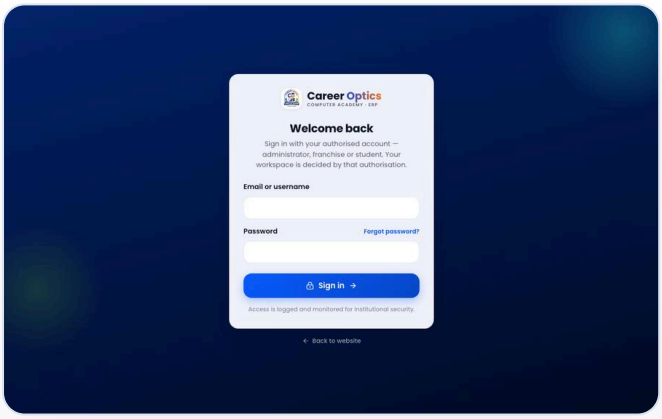

You do not buy software, hire a developer or make a website. Your centre is created in the head office ERP and your login, website page and documents are ready the same day.

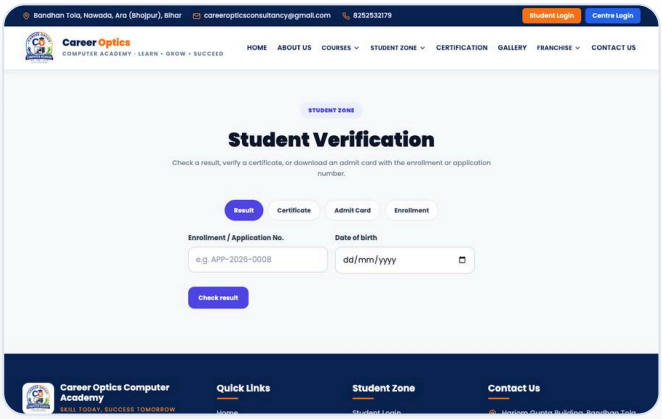

www.careeropticscomputer.in — the academy's website

Your centre's own website page, with your logo and contact

ERP login — admin, franchise and student workspaces

Online verification of result, certificate, admit card and enrolment

### Works on any device

The ERP and website run in the browser — on a laptop, a tablet or a phone. Nothing to install.

### Your data stays yours

A centre sees only its own students, fees and results. The head office sees the network.

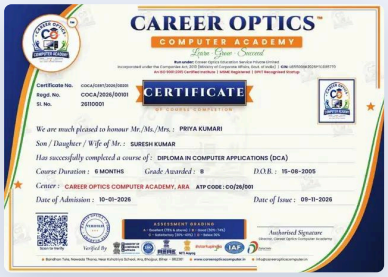

### Always up to date

New features, courses and designs reach every centre automatically, at no extra cost.

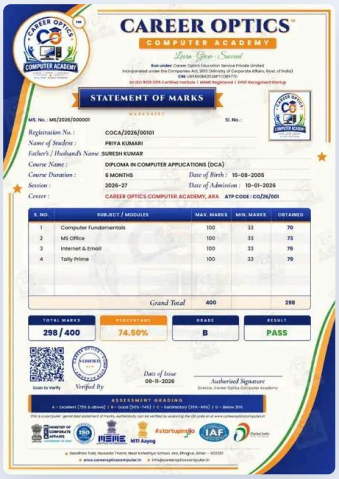

CERTIFICATE SAMPLES

# Documents your students will receive

All issued from the ERP on the academy's official designs. Each carries a number and a QR code that opens the verification page.

**Course Completion Certificate**

**Statement of Marks**

**Computer Typing Certificate**

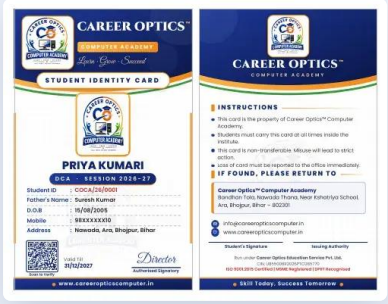

**Franchise Partner Licence**

**Examination Admit Card**

**Education Verification Letter**

**Student Identity Card (front & back)**

**Centre Director / Staff ID Card**

HOW TO JOIN

# Four steps to your centre code

**STEP 1**

### Apply

Fill the franchise form on www.careeropticscomputer.in/franchise.html or send your details on WhatsApp — centre name, address, director's name and contact.

**STEP 2**

### Verification & agreement

Our team calls you, checks the centre details and KYC (Aadhaar, PAN, address proof, photograph), and shares the franchise agreement.

**STEP 3**

### Fee & activation

Pay the one-time franchise fee to the company's account below. Your centre is created in the ERP the same day.

**STEP 4**

### Start admissions

Receive your licence, centre code, ERP login and website page. Take your first admission and issue your first ID card.

## What the centre needs

### Infrastructure

- Classroom / lab of about 300 sq. ft. or more
- At least 5 computers with internet, and a printer
- Signage with the authorised-centre branding

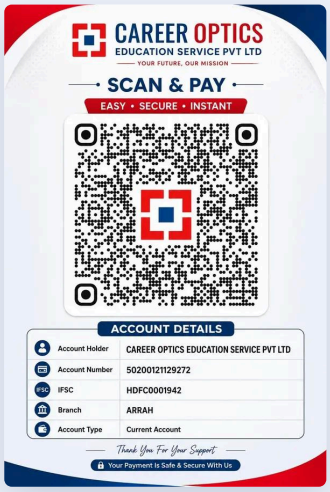

### People

- A centre director (graduate preferred) who owns the centre
- At least one faculty with computer training experience
- Office staff for admissions, fees and the ERP

## Franchise fee & payment
